Re: Triplex Reel Mower Bid #6024
Date: 5-3-93

J-93-05-01

Two Triplex Reel Mowers will be purchased. One will be used to mow tees at McMillen Golf Course and will replace an existing mower. The new Tee Mower is more versatile and has easy height cutting adjustment. It will allow us to better cut tees as well as green banks, aprons, par 3 fairways for tournaments and around the clubhouse.

The other Triplex Reel Mower will be used to mow tees at Foster Golf Course and will replace an existing mower. The new mower has a faster transport speed and will allow us to mow tees in less time. The new mower will also be used to mow around traps and the clubhouse.

This purchase is intended to update our mowing equipment so that we can offer the community the best product possible.
